

PROGRESS REPORT

Please fill in the Planned and Realization schedule of each activity; e.g. Planned schedule: wk 2 Apr. Realization of planned schedule: wk 3 Apr. The Planned schedule should be in accordance with what is stated in the research proposal. Write explanation (if needed) on the space provided. If you already reported some items in the earlier report, you do not have to re-type the dates on this report.

No	Type of activity	Planned schedule *	Realization of planned schedule	Explanation
1	Ethical Clearance *			
2	Research permit (from local government) *			
3	Instrument development with the guidelines and development of field guideline, and testing of the instruments *			
4	Field preparation (preliminary field visit for feasibility) *			
5	Enumerator recruitment *			
6	Training of research team *			
7	Data collection			
8	Data Entry			
9	Data cleaning *			
10	Data analysis			
11	Preliminary report			
12	Dissemination *			
13	Final report			

* Proofs are needed: 1) and 2) letters of approval; 3) the instruments and the guidelines; 4) e.g. sampling frame; 5) list of enumerators recruited; 6) training schedule, list of trainee, standardization activities, etc; 9) consistency check – “basic table”/ table of frequencies of variables; 12) Seminar, workshop, publication
