Statement of Agreement

The 4th UGSAS-GU Roundtable, 2015

- Towards the development of the "International Consortium of Universities in South and Southeast Asia for the Doctoral Education in Agricultural Science and Biotechnology (IC-GU 12)" -

The 4th UGSAS-GU Roundtable was held in Gifu, Japan, on 25th August, 2015, hosted by the United Graduate School of Agricultural Science, Gifu University (UGSAS-GU). Firstly, Dr. Hisataka Moriwaiki, President of Gifu University, addressed the opening remarks, and Prof. Masateru Senge, Dean of the UGSAS-GU, gave an overview of the IC-GU12 activities in Academic Year 2014 and the aspirations of further promoting collaborative education and research through its network. Secondly, each delegate of the member universities presented the current status and progress of the Dual/Double PhD Degree Program and the Sandwich Program. Following the statements, they exchanged some comments and proposals for the future activities of the consortium. After these presentations and discussions, all the members finally addressed the Statement of Agreement, and the dean of the UGSAS-GU declared the meeting closed.

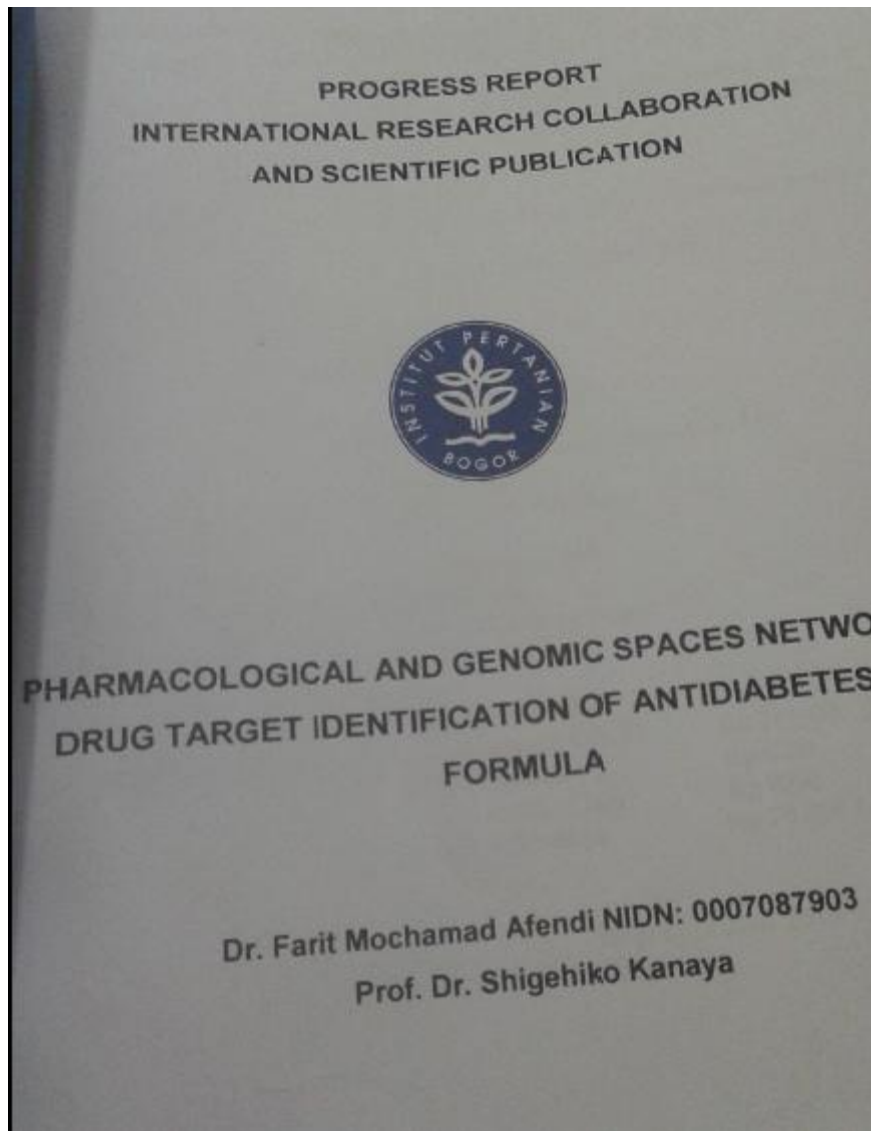

The "IC-GU12" includes the following fourteen (14) universities; University of Dhaka (BGD), Guangxi University (CHN) Assam University (IND), Indian Institute of Technology Guwahati (IND), Andalas University (IDN), Bogor Agricultural University (IDN), Gadjah Mada University (IDN), Sebelas Maret University (IDN), University of Lampung (IDN), Gifu University (JPN), Shizuoka University (JPN), Chulalongkorn University (THA), Kasetsart University (THA) and Hanoi University of Science and Technology (VNM).

All the attendees agreed on the following "IC-GU12" activities:

- 1) To enter into operation of the Dual/Double PhD Degree Programs
- 2) To exchange teaching staff and PhD students for reciprocal education and research activities
- 3) To develop a sectoral network in each of the target research fields to enrich the existing collaboration
- 4) To appoint teaching staff to the member universities as a Guest Professor/Guest Assoc. Professor
- 5) To hold an annual roundtable and symposium hosted by the UGSAS-GU in Japan
- 6) To make the most use of the e-journal, "Reviews in Agricultural Science", as a scientific platform
- 7) To share the contents of public relations related to IC-GU12 activities
- 8) To accept Institut Teknologi Bandung (IDN), King Mongkut's University of Technology Thonburi (THA) and Thuyloi University (VNM) as new IC-GU12 members
