

# Call for Papers

Details Last Updated on 13 February 2015 Hits: 133

The 3rd International Conference on Adaptive and Intelligent Agroindustry (ICAIA 2015) provides an international forum that brings together those who are actively involved in the field of Agroindustrial Engineering and Technology to report on up-to-the-minute innovations and developments, to summarize the state-of-the-art, and to exchange ideas and advances in all aspects of industrial system engineering, process and bioprocess technologies, and environmental engineering.

This year, we will hold the event at IPB International Convention Center (IICC), Bogor, Indonesia on August 3-4, 2015.
