SEA-EU-NET

ASEAN-EU Cooperation in Science, Technology and Innovation jointly tackling global challenges

The STI Days are organised by [SEA-EU-NET 2](#), an international cooperation network, which will build upon and leverage strong Europe-Southeast Asia S&T relationships developed through past support and coordination actions, to deepen engagement and build momentum in S&T cooperation. It broadens the scope of Europe-Southeast Asia cooperation through stimulating sustainable innovation collaborations.

This project has received funding from the European Union's Seventh Framework Programme for research, technological development and demonstration under grant agreement no 311784.
